

Triad IO-Link Workshops

Join us for a 4 hour hands-on IO-Link Workshop at our automation labs in Sharonville and New Albany!

These workshops will include:

- ✓ A discussion covering the benefits of IO-Link
- ✓ Tips on how IO-Link can be implemented in your system
- ✓ Q&A with the Triad automation team
- ✓ Lunch

Discussion will cover a range of products including: IO-Link Masters, IO-Link Devices, and Wireless IO-Link. Students are encouraged to bring their own PLC and device application questions.
