

# CONSTRUCTION & MOBILE EQUIPMENT

We know that your business aims to reach new heights each day. That's why, at Triad Technologies, we create out-of-the-box solutions to keep your business moving and eliminate down time!

## CUSTOM SOLUTIONS

No matter your industry, Triad can engineer custom solutions for all of your hydraulic applications. We know that no two industries are the same - that is why we work with your business directly to provide the parts you need when you need them. Industries we serve include:

- Material Handling Equipment
- Construction Equipment
- Construction Excavator Attachments
- Aerial Lifts
- Agriculture Equipment
- And MORE!

## EXPERIENCE THE TRIAD DIFFERENCE

To keep your equipment running at peak performance, you need hydraulic hoses, fittings and accessories that are dependable and accessible. That's why Triad is the best solution for reducing downtime.

Hose Products	Tube Fittings & Adapters	Brass & Composite Fittings	Quick Disconnects

# SERVICES TO KEEP YOU MOVING

## Kitting & Sub-Assemblies

**Freeing you to focus on your core competencies**

With our kitting service, we take your BOM and pre-assemble, organize and package the components to meet your specific requirements. Kits are assigned one part number, so you can reduce receiving and purchasing time while eliminating the complexities of managing hundreds of individual parts.

## Vendor Managed Inventory (VMI)

**Get the right products at the right time in the right place**

Our VMI program helps control inventory accuracies and forecasting while eliminating stockouts. Triad's team of inventory management specialists support the program by assisting with all application requirements, providing guidance and conducting product or assembly training as needed.

Whether you need a custom hose assembly while you wait or you're looking for a complete system solution, our ParkerStores are your local, one-stop shop for expert support and premier products from top fluid power brands. Triad currently offers more than 25 ParkerStore locations, with new stores opening every year in Ohio, Illinois, Indiana, Kentucky, and Michigan. ParkerStores are open to serve you Monday through Friday, 7:30 a.m. to 5 p.m. with 24/7 emergency service available. Visit [triadtechnologies.com/locations](http://triadtechnologies.com/locations) to find the store nearest you!
