

OHIO RESIDENTS CAN GET REIMBURSED FOR TRIAD'S INDUSTRIAL HYDRAULICS COURSES

CHECK ENROLLMENT DATES & APPLY

for TechCred online at techcred.ohio.gov/apply or by scanning the QR code above

REGISTER & PAY

for employee(s) to attend either of our upcoming Industrial Hydraulics classes by scanning the QR code above, or at triadtechnologies.com/services/training

RECEIVE REIMBURSEMENT

from the state after sending required documentation to Ohio TechCred to verify completion of the course

TRIAD LEVEL 1 INDUSTRIAL HYDRAULICS TRAINING

This course correlates fluid power principles with machine operation and daily maintenance duties. 50% is hands-on.

TRIAD LEVEL 2 INDUSTRIAL HYDRAULICS TRAINING

This component and control level course will incorporate component symbols learned in the Level 1 Hydraulic Class into complete schematics.

**To receive reimbursement, the employer must be able to verify that credential earners are Ohio residents with a verifiable Ohio address. Individuals must be W-2 employees at the time of the reimbursement request; independent contractors or 1099 employees are not eligible for this program.*
