

# UNITRONICS UNISTREAM PLC TRAINING

Triad is hosting hands-on training classes focused on the development and implementation of automation applications utilizing the integrated Unitronics Unistream series PLC, HMI, and servo system.

The first day of training will help you get started on new applications and also configure data logging, device communications, and IoT data. The second day will focus on the integrated motion capabilities including creating a new application with the most common motion tasks.

Day 1 - PLC	Day 2 - Motion
Hardware overview	Motion hardware overview
Software overview	Software configuration
Creating ladder logic	Pre-configured capabilities
Creating HMI screens	Position control
Communication protocols	Velocity control
IoT (email, VNC, MQTT, REST API...)	Torque control
Unicloud introduction	

## 2024 DATES & LOCATIONS

- February 13 - 14 [Sharonville Automation Lab](#)
- April 2 - 3 [New Albany Automation Lab](#)
- June 4 - 5 [Vandalia Headquarters](#)
- August 6 - 7 [Sharonville Automation Lab](#)
- October 8 - 9 [New Albany Automation Lab](#)

**REGISTER NOW!**

Contact Your Account Manager or Email [training@triadtechnologies.com](mailto:training@triadtechnologies.com)

With the completion of training, you will receive a hardware kit that will allow you to test future applications from the convenience of your desk.

### SPECIAL TRAINING BUNDLE PRICING

Each kit reserves two seats in a class.

<p style="text-align: center;"><b>PLC KIT #1</b> <b>\$1950</b> 7" All-in-One US7-B10-T24</p>	<p style="text-align: center;"><b>PLC KIT #2</b> <b>\$1950</b> PLC: USC-B10-T24 w/ Remote 7" HMI: USL-070-B05</p>
 <p style="text-align: center;">10 Digital Inputs, 2 Analog Inputs, 12 Transistor Outputs, PNP, including 2 PWM Outputs</p>	 <p style="text-align: center;">10 Digital Inputs, 2 Analog Inputs, 12 Transistor Outputs, PNP, including 2 PWM Outputs</p>

*\*Pricing offer valid through Dec., 2024.*

**Each kit also includes:**

- Puls Power Supply
- TE Entrelec Termination Block
- Pizzato Push Button Station
- Desk stand for HMI
